

**Land Use Agreement (as of 6/27/08)**  
**Fabian Garcia Science Center and Leyendecker Plant Science Research Center**

**Principal Investigator:**

**Index Number:**

**Plot Location and Size:**

**Duration of Study:                      Start:                                      End:**

**Crop:**

**Let Farm Manager manage routine daily operations without consultation?  Yes  No**

**Manpower requirements (estimated number of people, frequency) over course of season:**

**Irrigation schedule (estimated frequency, requirements, who decides?):**

**Chemical applications (which chemicals, application rates, schedule, pest scouting responsibilities):**

**Harvest schedule (need farm crew or use students?):**

**Special requirements:**

**Other researchers associated with project:**

- Who will be primary contact?
- Who will be billed?

**Potential interference with other projects (have these researchers been contacted?):**

**Will there be any sales associated with this project?**

**(NOTE: Sales agreements must have *prior approval* by the Director of the Agricultural Experiment Station.)**

**What close-down costs will be incurred at the end of this project? How will they be paid?**

**Additional information:**
